SALE OF NURSERY STOCK

Grown at Highlands Nursery, Pineola, North Carolina, to be closed out
Fall, 1917, and Spring, 1918

Special prices will be made, depending on *quantities taken*, preference being given to fall shipments and to carload orders and where all of a lot is taken.

Please mark the items you are interested in with quantities desired opposite sizes.

Particular attention is called to the splendid stock of Conifers, both in lining out and the larger sizes, also to the following: Kalmias, Leucothoe, Rhododendrons, Azaleas, Aronias, Corylus, Oxydendrum, Rosa, Viburnums, and Zanthorhiza.

It is an exceptional chance for nurserymen, park officials, and private planters to secure unusually fine stock at minimum cost.

Please give this your immediate attention, as delay may mean lost opportunity.
